## Emory Votes Initiative | Fall 2020

### TurboVote

- Sign up for help registering and voting at the free online platform TurboVote. Emory's portal: [emory.turbovote.org](https://emory.turbovote.org). Tutorial [here](#). If you signed up before, do it again if your mailing address has changed or if you now want to vote by mail and didn't say so before. (You can unsubscribe from a previous signup; just make sure it's right one!)

### State-by-state voting info

- TurboVote's parent organization, Democracy Works, offers a convenient [How to Vote](#) page with state-by-state links. Select your state in the drop-down menu to find its election website, check your voter registration status, look up local election officials, or request a vote-by-mail (absentee) ballot.
- [Vote.org](#) helps you look up your eligibility to vote in any state with these [Voter Registration Rules](#) and see its [Absentee Ballot Rules](#) and [Early Voting Calendar](#).
- The [National Association of Secretaries of State](#) [directs](#) you to official information about registering, voting, poll working, etc., in any state.
- The Campus Votes Project offers [State Student Voting Guides](#).

### Georgia-specific voting info

- All Georgia voters: Bookmark [My Voter Page](#) from the **Georgia Secretary of State's Elections Division**. At My Voter Page you can log in with your name, birthdate, and county to register to vote, check your status, download forms, request and track absentee ballots, find election dates, consult a sample ballot, look up your polling place, get county contact info, learn your districts and representatives, generate your voter (precinct) card including number, etc.
- Less officially, a group of Georgia volunteers assemble and update the [Georgia Voter Guide](#), "a comprehensive nonpartisan guide to voting in the Peach State."
- [866ourvote.org](https://866ourvote.org) lists Georgia deadlines and more.

### Volunteering as a poll worker

- **In Georgia**, sign up directly with a county yourself (e.g., [DeKalb](#), [Fulton](#), [Gwinnett](#)), or go through an organization such as the [ACLU of Georgia](#) (put "Emory Votes Initiative" as your organization) or the newer [Georgia Youth Poll Work Project](#).
- [866ourvote.org](https://866ourvote.org) offers an extremely thorough guide on becoming a poll worker in Georgia. A few of their other state-specific guides are [here](#).
- [Power the Polls](#) directs you to poll worker information for **any** location. You can also refer to the [U.S. Election Assistance Commission](#).

### **Who and what you'll be voting on**

- Look up your sample ballot anywhere with [Ballotpedia](#). In Georgia, see your sample ballot after logging in to [My Voter Page](#).
- Wherever you're registered to vote, learn who's running and where they stand with the League of Women Voters' personalizable Voters' Guide, [vote411.org](#).
- As elections approach, local organizations and news outlets in your area may provide more detailed information about candidates and issues. Some may release lists of endorsements.

### **Trouble voting**

- If you run into problems casting your vote, either on Election Day or year-round, call the **Election Protection** voter helpline at [866-OUR-VOTE](#) (866ourvote.org). It's a national, nonpartisan coalition run by the Lawyers' Committee for Civil Rights Under Law.
